Privacy Policy

PLEASE READ THIS DOCUMENT CAREFULLY.

www.infocareerindia.com respects your privacy and is committed to being transparent with you about how we handle personal information.

This Privacy Policy explains how www.infocareerindia.com collects, uses, and shares information about you when you use the Www.infocareerindia.com Platform ("Platform") or otherwise interact with us. It also goes over how you can exercise your privacy rights and choices.

The Platform is designed to allow Creators to build, design, publish, and sell courses, coaching, and other services to their Students. This Privacy Policy applies when you access or use the services and tools offered through our Platform ("Www.infocareerindia.com Services"), or otherwise interact with us. Your access to our Platform and use of Www.infocareerindia.com Services is also governed by our Terms of Use. Capitalized terms used but not defined in this Privacy Policy can be found in our Terms of Use.

Please read this Privacy Policy carefully before accessing our Platform and using www.infocareerindia.com Services. If you have any questions, please contact us at: info@infocareerindia.com

Personal identification information

We may collect personal identification information from Users in a variety of ways, including, but not limited to, when Users visit our site, register on the site, subscribe to the newsletter, and in connection with other activities, services, features, or resources we make available on our Site. Users may be asked for, as appropriate, an email address. Users may, however, visit our Site anonymously. We will collect personal identification information from Users only if they voluntarily submit such information to us. Users can always refuse to supply personally identification information, except that it may prevent them from engaging in certain Site related activities.

Children

As stated in our Terms of Use, you must be at least 18 years old to use the Platform, or, if you are between the ages of 13 and 18, you must have your parent or guardian's permission to use the Platform. Www.infocareerindia.com does not knowingly collect or store any personal information from or about children under the age of 13, and we will delete such information if we become aware that it has been submitted through our Platform.

Parents or guardians who believe that Www.infocareerindia.com might have any personal information from or about a child under the age of 13 may submit a request to info@infocareerindia.com for us to remove such information.

Non-personal identification information

We may collect non-personal identification information about Users whenever they interact with our Site. Non-personal identification information may include the browser name, the type of computer, and technical information about Users means of connection to our Sites, such as the operating system and the Internet service providers utilized and other similar information.

Personal Information You Give Us (Or that We May Receive From Others)

We collect the personal information you directly provide to us. We may also receive personal information about you from others; e.g. from another user or our payment processors.

Personal Information We May Collect From Any Users of Our Platform

➢ *Account Information.* To use certain features of our Platform (such as to create a course or to enrol in a course), you'll need to register for an account with Www.infocareerindia.com. To do so, you'll need to provide us with certain personal information, such as your name, email address, and password.

➢ *Third-Party Integrations.* You may allow our Platform to interact with third-party services (such as Facebook and Zoom). The information you allow Www.infocareerindia.com to access varies by service, and it is affected by the privacy settings you and those that you are connected with establish while using such services. Third-party services are operated, controlled, and maintained by third parties that are not operated, controlled, or maintained by Www.infocareerindia.com. We recommend that you read the terms of use and privacy policies of those third-party services to understand how they collect, use, and share your personal information with us or other third parties.

➢ *Other Personal Information.* You may choose to provide us with other personal information. For example, we may collect your name, email address, and other personal information when you fill out a survey, participate in a Www.infocareerindia.com-sponsored contest or promotion, request customer support, or otherwise communicate with us.

Personal Information We May Collect from Creators

➢ *www.infocareerindia.com* Plans. When you subscribe to a paid Www.infocareerindia.com plan, we will collect certain personal information from you to bill your subscription fees and any payment service fees, such as your business and billing address. You'll also need to provide certain payment-related information directly to our third-party payment processors, as described below.

➢ *Creator Payment Information.* If you're using Native Payment Gateways of www.infocareerindia.com, you'll need to link your payment account to our Platform to receive payouts. By linking your account, Www.infocareerindia.com will receive certain payment-related information about you, including your payment card type and last four digits, postal code, country of origin, payment expiration date, and any email address associated with the payment type. Further, we will collect certain personal information for tax purposes. This tax information may include your full name, address, and registration number.

Personal Information We May Collect from Students

➢ *Student Payment Information.* To purchase a course, Coaching, or other services through our Platform, you'll need to provide us with certain personal information, such as your name, address, and information about the service you are purchasing. You may also need to provide certain payment-related information directly to our third-party payment processors, as described below.

➢ Third Party-Payment Processors. We use third-party payment processors like PayPal and Stripe to process payments through the Www.infocareerindia.com Platform. For payments processed via Www.infocareerindia.com Native Gateways, the third-party processor provides us with information related to the payment status of your account; this information includes your payment card type and last four digits, payment expiration date, zip code,

approximate location based on IP address, country of origin, and any email address associated with the payment type. For security purposes, Www.infocareerindia.com does not collect or receive any sensitive payment information, such as your complete card number or authentication data. Our third-party payment processors are independent of Www.infocareerindia.com and have their privacy policies. For additional information about how your payment information is processed and stored, we recommend that you review the applicable payment processor's privacy policy.

> *Participation in Creator Content.* When you enrol in a course, Coaching service, or use or access other Creator Content, Www.infocareerindia.com will collect personal information relating to your participation in the Creator Content, such as courses you have enrolled in, quiz results, lecture progress, and certifications.

Personal Information We May Collect Automatically

We automatically collect certain information from your interactions with our Platform.

1) Usage Data. Www.infocareerindia.com logs usage information when you visit and use our Platform. This information may include IP address, browser type, operating system, and other information about the use of our websites, such as the pages you viewed when you viewed them, and links that were clicked.

2) Cookies and Similar Technology. Www.infocareerindia.com may collect information about you through the use of cookies and other similar technologies. Cookies are pieces of data in the form of text files that your browser stores on your hard drive and sends back to us when making requests, and similar technologies. For more information on our use of cookies and similar technologies, please refer to our Cookie Policy.

3) Approximate Location. We may receive and process information about your approximate location. For example, we may be able to determine your approximate location from your IP address and other information about you. Www.infocareerindia.com does not ask for or track any precise location-based information.

How We Use Personal Information We Collect

Our primary purposes for using your personal information are to provide you with a smooth, efficient, and customized experience, for customer support, advertising and marketing communications, research and service development, and to keep our Platform and users safe and secure.

Specifically, we may use your information for the following business purposes:

To provide and improve our services. We use personal information that we collect about you to allow you to access our Platform, to provide you with the services you request, and to improve and customize Www.infocareerindia.com Services.

For customer support. We use personal information to investigate, respond to, and resolve customer queries, send you technical notices and security alerts, and provide other support and administrative services.

For advertising and marketing communications. We use personal information to develop targeted advertising both on and off our Platform about Www.infocareerindia.com Services and to communicate with you about our products, services, offers, and promotions, including making recommendations about Www.infocareerindia.com Services you may be interested in.

For research and service development. We use personal information to conduct market research and to develop new services in order to provide you with a better experience and to drive growth in our business.

For legal and security purposes. We use personal information to prevent, detect, investigate, and take measures against criminal activity, fraud, misuse of or damage to our Platform or network, and other threats and violations to www.infocareerindia.com or a third party's rights.

How we use collected information

The company may collect and use Users personal information for the following purposes:

- *To improve customer service*

  The information you provide helps us respond to your customer service requests and support needs more efficiently.

- *To personalize user experience*

  We may use information in the aggregate to understand how our Users as a group use the services and resources provided on our Site.

- *To send periodic emails*

  We may use the email address to send User information and updates pertaining to their order. It may also be used to respond to their inquiries, questions, and/or other requests. If User decides to opt-in to our mailing list, they will receive emails that may include company news, updates, related product or service information, etc. If at any time the User would like to unsubscribe from receiving future emails, we include detailed unsubscribe instructions at the bottom of each email or the User may contact us via our Site.

How we protect your information

We adopt appropriate data collection, storage, and processing practices and security measures to protect against unauthorized access, alteration, disclosure, or destruction of your personal information, username, password, transaction information, and data stored on our Site.

Sharing your personal information

We do not sell, trade, or rent Users' personal identification information to others. We may share generic aggregated demographic information not linked to any personal identification information regarding visitors and users with our business partners, trusted affiliates, and advertisers for the purposes outlined above.

Third-party websites

Users may find advertising or other content on our Site that link to the sites and services of our partners, suppliers, advertisers, sponsors, licensors, and other third parties. We do not control the content or links that appear on these sites and are not responsible for the practices employed by websites linked to or from our Site. In addition, these sites or services, including their content and links, may be constantly changing. These sites and services may have their privacy policies and customer service policies. Browsing and interaction on any other website, including websites that have a link to our Site, is subject to that website's terms and policies.

Changes to this privacy policy

The company has the discretion to update this privacy policy at any time. When we do, we will revise the updated date at the bottom of this page. We encourage Users to frequently check this page for any changes to stay informed about how we are helping to protect the personal information we collect. You acknowledge and agree that it is your responsibility to review this privacy policy periodically and become aware of modifications.

Your acceptance of these terms

By using this Site, you signify your acceptance of this policy. If you do not agree to this policy, please do not use our Site. Your continued use of the Site following the posting of changes to this policy will be deemed your acceptance of those changes.
